THE RIDGE COURSE COPPER POINT GOLF CLUB

It's been said that the only thing 'short' about The Ridge Course at Copper Point is the time it takes to play it! Indeed, the par-62 Masters Course – which features some of the strongest holes at Copper Point – can often be played in just three hours. Impeccably conditioned and exquisitely shaped, the course often takes people by surprise. In fact, with a string of pristine par-3s and super-strong par-4s, you may walk off The Ridge Course wishing it took longer!
