STEWARDSHIP

Kootenay Rockies Tourism, following the strategic directions laid out in the 10-year Destination Development Strategy, has developed a regional destination sustainability charter that includes a set of indicators in alignment with international standards and metrics for destination sustainability. In March 2022, Kootenay Rockies Tourism received an international recognition and was officially certified as a Biosphere Certified Destination. News, programs and tools are offered to support stakeholders through their own sustainability journey and collectively improve our industry's sustainability performance.
